IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF NEW JERSEY

PAIGE PRACTO,

HONORABLE JEROME B. SIMANDLE

Plaintiff,

Civil Action No. 16-7193 (JBS-AMD)

v.

CAMDEN COUNTY CORRECTIONAL FACILITY,

Defendant.

OPINION

APPEARANCES:

Paige Practo, Plaintiff Pro Se 807 Front Street, Apt. B Camden, NJ 08102

SIMANDLE, Chief District Judge:

I. INTRODUCTION

Plaintiff Paige Practo seeks to bring a civil rights complaint pursuant to 42 U.S.C. § 1983 against the Camden County Correctional Facility ("CCCF"). Complaint, Docket Entry 1.

At this time, the Court must review the complaint, pursuant to 28 U.S.C. § 1915(e)(2), to determine whether it should be dismissed as frivolous or malicious, for failure to state a claim upon which relief may be granted, or because it seeks monetary relief from a defendant who is immune from such relief. For the reasons set forth below, the Court will dismiss the

complaint with prejudice for failure to state a claim. 28 U.S.C. § 1915(e)(2)(b)(ii).

II. BACKGROUND

Plaintiff alleges that she was confined in the CCCF on September 19, 2014. Complaint § III. She states in part: "On 9-19-14 all of the cells were full at CCCF. I came on to 7 day lock down to be forced to sleep on the floor by the toilet. I would get stepped on all times of the night. I barely could sleep. It was the worse few days of my life." Id.

III. STANDARD OF REVIEW

Section 1915(e)(2) requires a court to review complaints prior to service in cases in which a plaintiff is proceeding in forma pauperis. The Court must sua sponte dismiss any claim that is frivolous, is malicious, fails to state a claim upon which relief may be granted, or seeks monetary relief from a defendant who is immune from such relief. This action is subject to sua sponte screening for dismissal under 28 U.S.C. § 1915(e)(2)(B) because Plaintiff is proceeding in forma pauperis.

To survive *sua sponte* screening for failure to state a claim, the complaint must allege "sufficient factual matter" to show that the claim is facially plausible. *Fowler v. UPMS*Shadyside, 578 F.3d 203, 210 (3d Cir. 2009) (citation omitted).

"A claim has facial plausibility when the plaintiff pleads factual content that allows the court to draw the reasonable

inference that the defendant is liable for the misconduct alleged." Fair Wind Sailing, Inc. v. Dempster, 764 F.3d 303, 308 n.3 (3d Cir. 2014). "[A] pleading that offers 'labels or conclusions' or 'a formulaic recitation of the elements of a cause of action will not do.'" Ashcroft v. Iqbal, 556 U.S. 662, 678 (2009) (quoting Bell Atlantic Corp. v. Twombly, 550 U.S. 544, 555 (2007)).

IV. DISCUSSION

Plaintiff seeks monetary damages from CCCF for allegedly unconstitutional conditions of confinement. Primarily, the complaint must be dismissed as the CCCF is not a "state actor" within the meaning of § 1983. See Crawford v. McMillian, 660 F. App'x 113, 116 (3d Cir. 2016) ("[T]he prison is not an entity subject to suit under 42 U.S.C. § 1983.") (citing Fischer v. Cahill, 474 F.2d 991, 992 (3d Cir. 1973)). Accordingly, the claims against CCCF must be dismissed with prejudice.

Generally, "plaintiffs who file complaints subject to dismissal under [§ 1915] should receive leave to amend unless amendment would be inequitable or futile." Grayson v. Mayview State Hosp., 293 F.3d 103, 114 (3d Cir. 2002). This Court denies leave to amend at this time as Plaintiff's complaint is barred by the statute of limitations, which is governed by New Jersey's

two-year limitations period for personal injury. See Wilson v. Garcia, 471 U.S. 261, 276 (1985); Dique v. N.J. State Police, 603 F.3d 181, 185 (3d Cir. 2010). The accrual date of a § 1983 action is determined by federal law, however. Wallace v. Kato, 549 U.S. 384, 388 (2007); Montanez v. Sec'y Pa. Dep't of Corr., 773 F.3d 472, 480 (3d Cir. 2014).

"Under federal law, a cause of action accrues when the plaintiff knew or should have known of the injury upon which the action is based." Montanez, 773 F.3d at 480 (internal quotation marks omitted). Plaintiff states that she was confined in CCCF on September 19, 2014, and that she was confined at CCCF for "3-4 days." Complaint § III; § V. The allegedly unconstitutional conditions of confinement at CCCF would have been immediately apparent to Plaintiff at the time of her detention; therefore, the statute of limitations for Plaintiff's claims expired in September 2016.² As there are no grounds for equitable tolling of the statute of limitations, the complaint will be dismissed with

[&]quot;Although the running of the statute of limitations is ordinarily an affirmative defense, where that defense is obvious from the face of the complaint and no development of the record is necessary, a court may dismiss a time-barred complaint sua sponte under § 28 U.S.C. § 1915(e)(2)(B)(ii) for failure to state a claim." Ostuni v. Wa Wa's Mart, 532 F. App'x 110, 111-12 (3d Cir. 2013) (per curiam).

² Plaintiff filed her complaint on October 13, 2016.

³ Equitable tolling "is only appropriate '(1) where the defendant has actively misled the plaintiff respecting the plaintiff's cause of action; (2) where the plaintiff in some extraordinary way has been prevented from asserting his or her rights; or (3)

prejudice. Ostuni v. Wa Wa's Mart, 532 F. App'x 110, 112 (3d Cir. 2013) (per curiam) (affirming dismissal with prejudice due to expiration of statute of limitations).

V. CONCLUSION

For the reasons stated above, the complaint is dismissed with prejudice for failure to state a claim. An appropriate order follows.

February 28, 2017

Date

s/ Jerome B. Simandle
